

## Kailash Manasarover Yatra - 2026

According to Hindu mythology, Lord Shiva spends most of his time atop holy Mount Kailash, practicing yogic austerities in divine joy and love with his consort Parvati (Mother Goddess). Lake Mansarovar and Mount Kailash are the **soul of all AUM followers** worldwide.

*"Conventional wisdom says a single circuit of Mt. Kailash wipes out the sins of a lifetime; 108 parikramas guarantee enlightenment. A ritual bath in sacred Mansarovar Lake delivers pilgrims to Brahma's paradise, while a drop of its water relinquishes sins of hundreds of lifetimes."*

Experience this spiritual pinnacle with **Firante Treks**—your gateway to Kailash Mansarovar Yatra.

This is one of Earth's toughest high-altitude road journeys. You must be physically fit—no two ways about it.

Patients with asthma or heart problems often struggle to acclimatize. For your safety, get examined by your doctor to confirm your health and ability to cope with the rigors of:

- High-altitude travel for days in 'no-road' conditions.
- Extreme cold and dust.
- Trekking to 18,500 ft during Kailash parikrama.

Firante Treks provides acclimatization support and expert guidance.

As the temperature varies greatly between day and night (from max. 20 degrees Celsius to min. -10 degrees Celsius) one should prepare accordingly.

This can take a couple of days or more depending on an individual. For this reason alone, we have made it mandatory to stay night at Manasarovar (4600m) moving on to the higher altitudes.
